Idaho Infant-Toddler Program

Phone: 208-882-0670

About:
Idaho's Infant Toddler Program (ITP) coordinates a system of early intervention services to assist Idaho children birth to three years of age who have a developmental delay or who have conditions (such as prematurity, Down Syndrome, hearing loss) that may result in a developmental delay. The ITP links children with services that promote their physical, mental and emotional development and supports the needs of their families.

Services: Family education, speech therapy, occupational therapy, service coordination, family training, counseling, home visits, health services
