**Address:** SE 1205 Professional Mall, STE 104, Pullman, WA 99163

**Website:** www.palousepediatrics.com

**Email:** karly.port@pullmanregional.org

**About:**

We understand that as a parent, your child is undoubtedly the most important part of your life. We also understand that your child’s medical care is of the greatest importance to you. We strive to maintain a high quality of service, and as a pediatric office, we hold ourselves to a different set of standards.

Our goal is not only to be available to meet the needs of your family, on your schedule, but to take a vested interest in both you and your child.

When making appointments at our office, you are always free to choose which doctor you would like to see within the limits of the scheduling. Whenever one doctor is not in the office, another doctor will see all the patients who need to be seen.

Patients are seen by appointment only, however, if you have an emergency, please call and we will instruct you on how to proceed. We strive to see all children that need to be seen before we close each day.

**Services:** Medical Care, birth through adolescence. Inpatient hopsital care. Behavior, ADHD, ADD, Depression management. Prenatal visits. Car Seat Checks. We are proud to offer our “Healthy On The Palouse” program which is designed to help kids of all ages develop a healthy relationship with food and their bodies.
