**Address:** 1240 S.E. Bishop Blvd., Ste. P - Pullman, WA 99163  
**Website:** www.pullmanalcoholanddrugrehab.com

**About:**
Palouse Recovery Center offers a variety of outpatient alcohol and drug education and treatment services. Our services include Assessments and Evaluations (DUI assessments/DUI Evaluations, Deferred Prosecution Evaluations, Evaluations for those involved with WSU Office of Student Conduct, Self-referrals, Criminal Justice referrals and more) in order to determine if a problem with alcohol and/or drugs exists. If a problem does exist, the extent of the problem is diagnosed and a course of treatment is recommended. We provide rehabilitation, counseling and treatment for addicts and alcoholics as well as those who have been diagnosed with abuse of alcohol or drugs.
