### **About:**

**Mission:** The Palouse Alliance for Healthy Individuals, Families and Communities is committed to the development and promotion of community health and trust through community initiative and participation, interagency cooperation and collaboration, and the sharing of information, resources and funding.

**Vision:** The health of the Palouse area community encompasses the physical, emotional, mental and spiritual aspects of each individual, family and community. The Alliance creates an environment where community learning and gathering is nurtured across all community segments. Our activities have diverse formats and include teachers and learners of all ages. In all of our activities, we integrate community strengths, interests, needs and initiatives.

We value:

- All dimensions of diversity
- A spirit of service and participation among all community members
- Collaboration to achieve mutual goals
- Technological sophistication that is accessible and people focused
- The pursuit of health and well-being as defined by individuals, families and communities
- Mutual respect for individuals, families and communities
- The prudent use of funds and resources

**Services:** Monthly meetings/resource sharing; Dissemination of agency information; Annual Agency Networking Breakfast; Annual Family Fair; Identification and response to funding opportunities for Alliance agencies
